

# COPENHAGUE / CPH 90 DESK

DESIGN BY RONAN & ERWAN BOURULLEC

The CPH 90 brings classic desk aesthetics into a modern context. The Bouroullec brothers' simple yet graceful asymmetrical legs coupled with the streamlined tabletop results in a functional, compact and uncluttered design. The Copenhagen Desk is suited to most commercial or educational environments, as well as being ideal for working at home. The frame is in solid oak and the plywood tabletop comes in a variety of wood or linoleum options.
