

# PALETTI

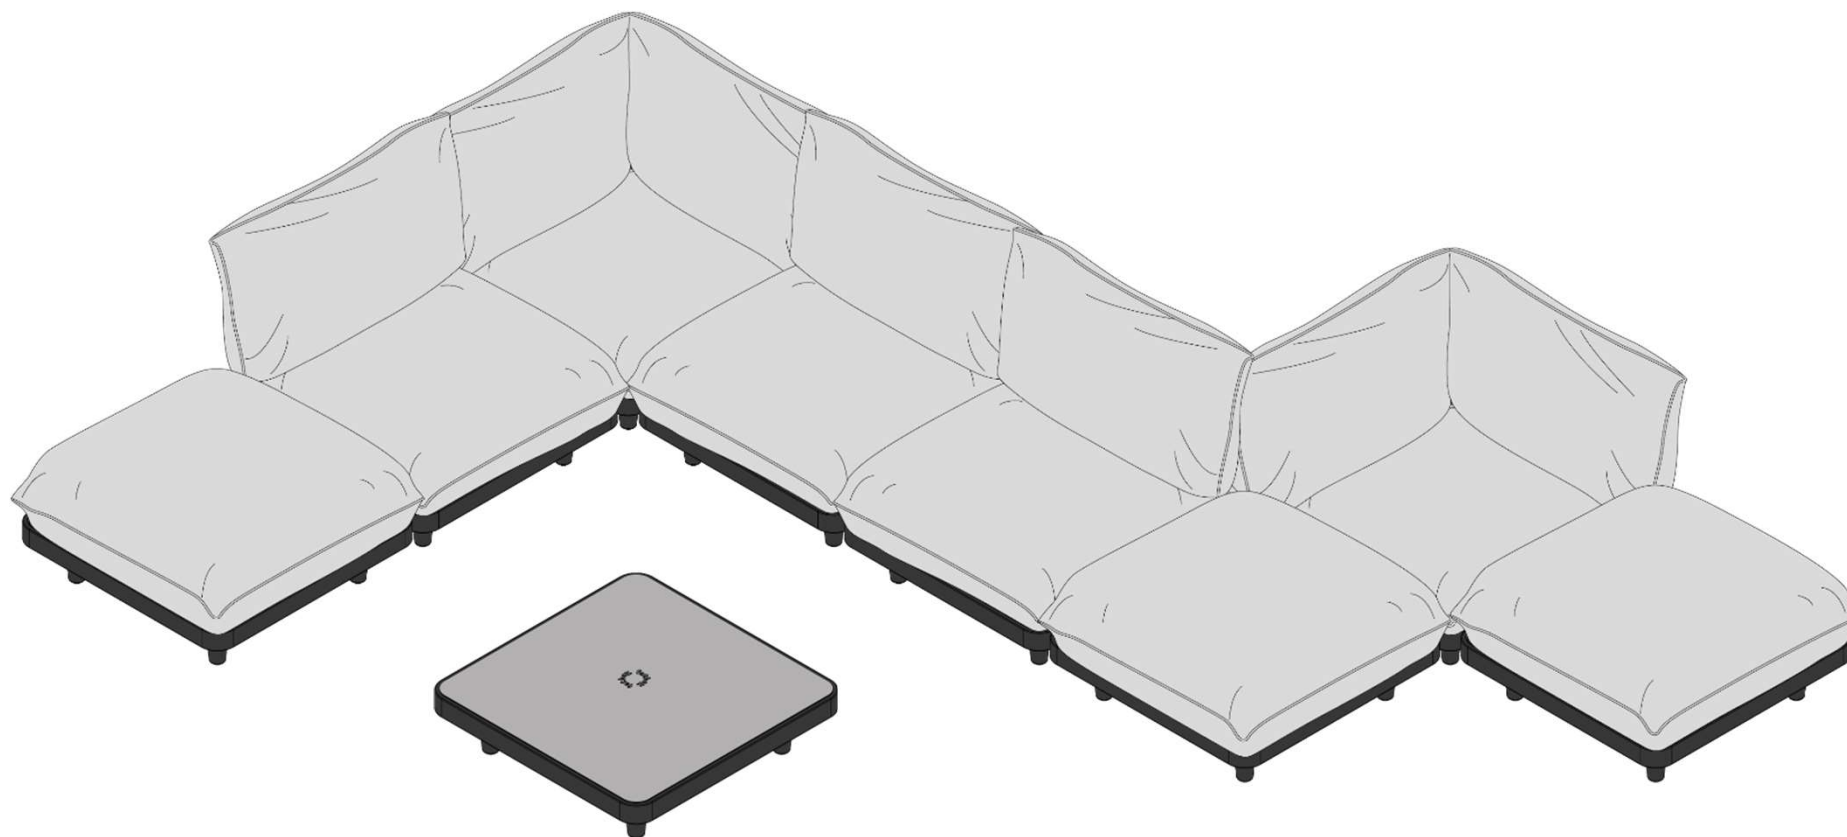

THE MODULAR WAY TO LOUNGE

Paletti's secret is in its modularity.  
Offering lots of place, this lounge concept gives  
a modular twist to enjoy the good life with  
more people than you might expect.

# PALETTI MODULAR COUCH SYSTEM

# PALETTI HIGH END MATERIALS

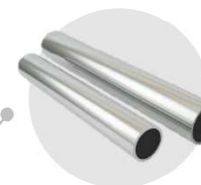

FATBOY USED AS MUCH RECYCLED MATERIALS AS POSSIBLE!

- The baseframe contains recycled plastics
- The backrest filling is made of chopped foam which is leftover material from foam cutting

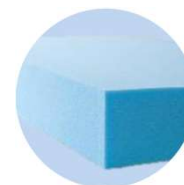

The other parts are made from premium and durable materials to make sure the products last as long as possible in outdoor environments.

**Backrest filling:**  
Chopped foam  
backrest filling

**Backrestframe:**  
Galvanized steel tube to  
avoid corrosion, with high  
end powdercoating finish

**Seating interior:**  
Hybrid foam SG 35  
Polyether/Soft foam

**Seat and backrest fabrics:**  
Sunbrella fabric with TPU coating  
(to make it water resistant).  
Color fastnest: Grade 8  
Water and dirt repellent

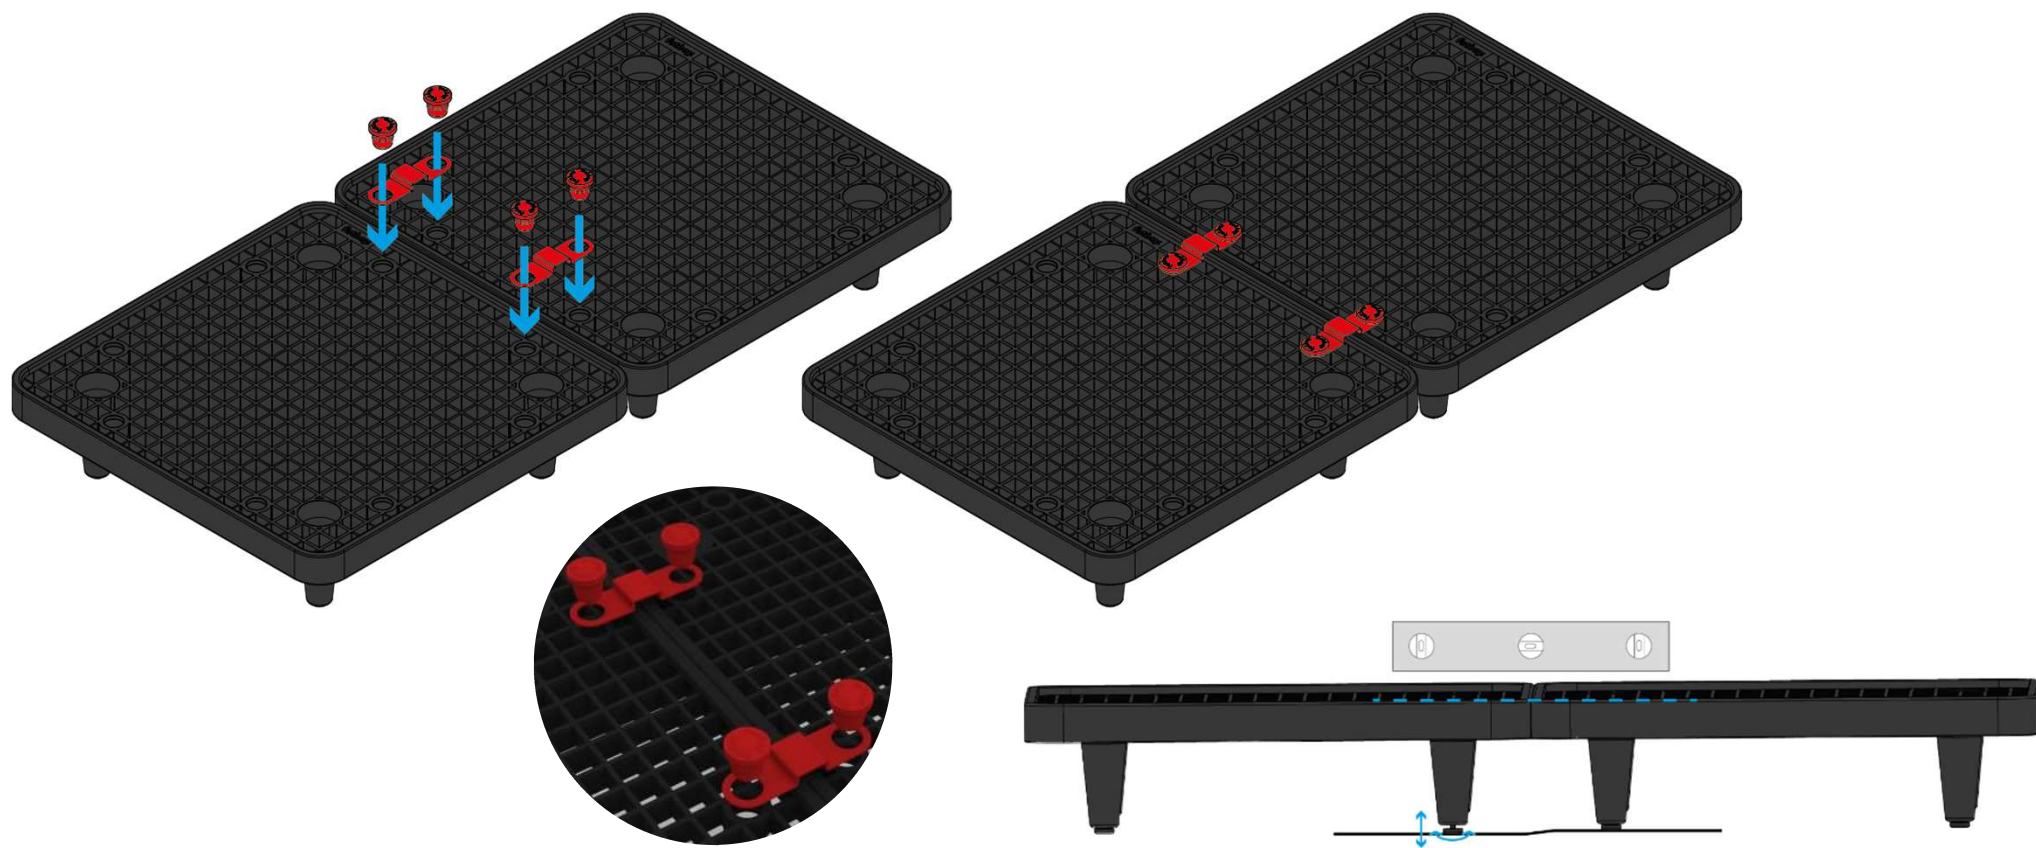

**Base:**  
Contains Recycled PP
