

GALILEO Mini T

Designer
Emanuele Ricci - 2002

Sospensione per illuminazione diretta e indiretta attraverso un cristallo lavorato con finiture ottiche che ha le funzioni di una lente curva di notevole spessore. Kit di decentramento sempre incluso.

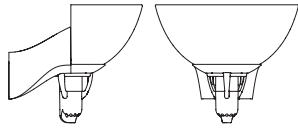

Suspensions with diffuser made out of an extra thick glass, very accurately shaped, working as an optical lens. The decentralizing kit is always included.

Hängeleuchte für direktes und indirektes Licht durch ein Kristallglas mit optischen Feinbearbeitungen, das die Funktion einer sehr dicken Konkavlinse hat. Dezentralisierungskit inkl. in der Verpackung.
