Emissione e applicazioni
Luce diffusa bianca naturale a 4 power LED da W1.

Materiali
Corpo e base in alluminio. Snodi in materiale plastico caricato a fibra. Testa e diffusore in policarbonato.

Finiture e colori
Struttura: alluminio lucidato o bianco perla. Testa e snodi: marrone.

Note
Lampada snodata in bassa tensione (patent pending). Touch dimmer. Due intensità luminose.

Distribution and applications
Widespread light, natural white 4 power LED, W1 each.

Materials
Body and base in aluminium. Joints in fibre strengthened plastic material. Head and diffuser in polycarbonate.

Finishes and colours
Structure: polished or pearl white aluminium. Head and joints: brown.

Notes
Articulated lamp in low tension (patent pending). Touch dimmer. Two light intensities.

Diffusion et applications
Lumière diffuse, blanche naturelle 4 Power LED, W1 chacun.

Matériaux
Corps et base en aluminium. Articulations en plastique renforcé par fibres. Tête et diffuseur en polycarbonate.

Finition et couleurs
Structure: aluminium poli ou blanc perle. Tête et articulations: marron.

Notes
Lampe articulée en basse tension (brevet en cours d'enregistrement). Touch dimmer. Deux intensités lumineuses.

Ausstrahlung und Anwendungen
Diffuses natürlich weißes Licht 4 Power LED je W1.

Materialien
Körper und Fuß aus Aluminium. Gelenke aus faserverstärktem Kunststoff. Kopf und Diffusor aus Polykarbonat.

Ausführungen und Farben
Struktur: poliertes oder perlweißes Aluminium. Kopf und Gelenke: braun.

Bemerkungen
Faltbare Leuchte in Niederspannung. (zum Patent angemeldet). Touch dimmer. Zwei Lichtregulierungen.

Emisión y aplicaciones
Luz blanca natural ligera difusa 4 a la energía LED de W1.

Materiales
Cuerpo y base en aluminio. Articulación en fibra reforzada de material plástico. Cabezal y pantalla en policarbonato.

Acabado y colores
Estructura: Pulido o blanco perla. Cabezal y articulaciones: Marrón.

Notas
Luminaria articulada de baja tensión (pendiente de patente). Touch dimmer. Dos intensidades luminicas.
