Iceglobe Mini 02

design: Villa Tosca Design 2008

● contemporary

Lampada da tavolo in metallo a luce diffusa.
Diffusore in polycarbonato autoestinguente ottenuto mediante stampaggio rotazionale.

Finitura delle strutture:
nickel satinato I 66

Table lamp in metal with smooth light.
Diffuser of self extinguishing polycarbonate obtained by means of rotational moulding.

Finish of the structures:
brushed nickel I 66

Lampes à poser en métal à lumière diffuse.
Diffuseur en polycarbonate autoextinguible obtenue par moulage rotationnel.

Finition des structures:
nichel brossé I 66

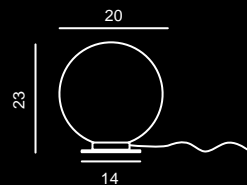

Tischleuchte aus Metall mit Streulicht.
Diffusor aus Polycarbonate selbstlöschbar hergestellt durch Rotations-Pressung.

Finish der Strukturen:
Nickel satiniert I 66
