

# kalias, deltakalias, pentakalias, trikalias

design: ernesto gismondi - 1993

Parete-Soffitto. Struttura in metallo cromato, diffusori in vetro sabbato colorato. Kalias è disponibile in due dimensioni, nella versione ad incasso e con lampadina dicroica e nella versione IP 23, installabile solo a parete, per i bagni (Kalias 110). Deltakalias e Trikalias sono composte da 3 diffusori, Pentakalias è composta da 5 diffusori. Emissione di luce diffusa. Particolarmente adatte per le specchiere da bagno.

Colori: bianco, blu, pesca o acquamarine.

Wall-Ceiling. Structure in chromed metal, coloured glass diffusers. Kalias is available in two dimensions, in recessed version and with dichroic lamp and in IP 23, wall mounting only, version for bathrooms (Kalias 110). Deltakalias and Trikalias are composed by 3 diffusers, Pentakalias is composed by 5 diffusers. Diffused light emission. Particularly suitable for bathroom mirror frames.

Colours: white, blue, peach rose or aquamarine.

Applique-Plafonnier. Structure en métal chromé, diffuseur en verre sablé coloré. Kalias est disponible en deux tailles; en version spot encastré avec source halogène dichroïque et en version IP 23 (seulement en version applique) pour salles de bains (Kalias 110). Deltakalias et Trikalias sont dotées de 3 diffuseurs, Pentakalias est dotée de 5 diffuseurs. Emission lumineuse diffuse. Particulièrement adaptée à la salle de bains.

Couleurs: blanc, bleu, pêche ou aquamarine.

Wand- und Deckenleuchte. Sockel der Wand- und Deckenleuchte aus verchromtem Metall, Schirme aus farbigem sandgestrahltem Glas. Kalias ist in zwei Größen, als Einbauleuchte, mit Kaltlichtspiegellampe und auch als IP 23-Ausführung für Feuchträume - nur als Wandleuchte (Kalias 110) erhältlich. Deltakalias und Trikalias haben 3 Schirme, Pentakalias hat 5 Schirme. Gestreute Lichtverteilung, speziell für die Beleuchtung von Badspiegeln geeignet.

Farben: Weiß, Blau, Apricot oder Aquamarinblau.

Aplique-Plafón. Estructura de metal cromado, difusores de cristal arenado y coloreado. Kalias está disponible en dos tamaños, en la versión empotrada y con bombilla dicroica y en la versión IP 23 (con montao solo a pared) para el baño (Kalias 110). Deltakalias y Trikalias están equipadas con 3 difusores, Pentakalias está equipada con 5 difusores. Emisión de luz difusa. Particularmente idónea para los espejos de baño.

Colores: blanco, azul, melocotón o aguamar.
