

Assembly & Care Guide

# Brolly Portable Table Lamp

Knut Bendik Humlevik

Thank you for choosing the Brolly Portable Table Lamp designed by Knut Bendik Humlevik. We hope you will enjoy it as much as we enjoyed making it. Please follow this guide to ensure correct use and care of your New Works product.

## Attention

Please read these instructions carefully and retain them for future reference to ensure that the product is used correctly. For your safety, please study each step of this guide first.

New Works will not take any responsibility for accidents or injuries that occurs due to misuse or unintended use of the product. This includes use of the product in unintended environments, use of non-compatible light sources, adapters, other electrical peripherals or any attempts to alter the product.

If you have any questions, please do not hesitate to contact us via email: [info@newworks.dk](mailto:info@newworks.dk)

## About

The Broolly Portable Table Lamp is designed for indoor use. It is slightly water and dust proof. The product is IP44 rated.

**Broolly Portable Table Lamp - Magnetic charging cable/USB. (Adapter not included)**

## Safety Precautions

This product contains a Li-ion battery. Misuse of said battery may lead to potentially hazardous outcomes. Damaged or defective batteries may increase the risk of critical battery failure. In case of smoke, battery swelling, or an odor while charging, terminate charging immediately. New Works Aps does not take responsibility for battery failure prompted by unintended use.

## Cleaning Instructions

Wipe the product with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit, or turpentine.

No tools needed, just an adapter for charging:

Min. 5V/2A Universal USB adapter  
(example: iPhone adapter with USB Type A)

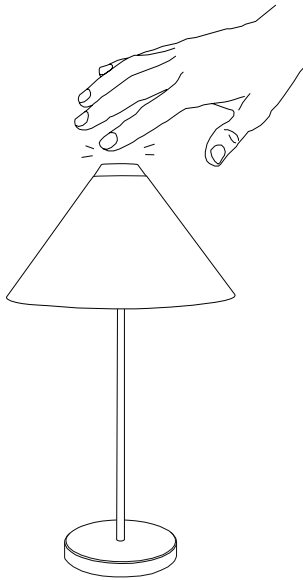

---

(A)

(B)

1.

**Dimming the lamp**

The lamp can be dimmed down by the touch surface on the top of the lamp.

First tap will turn on the lamp, and the last tap will turn off the lamp.

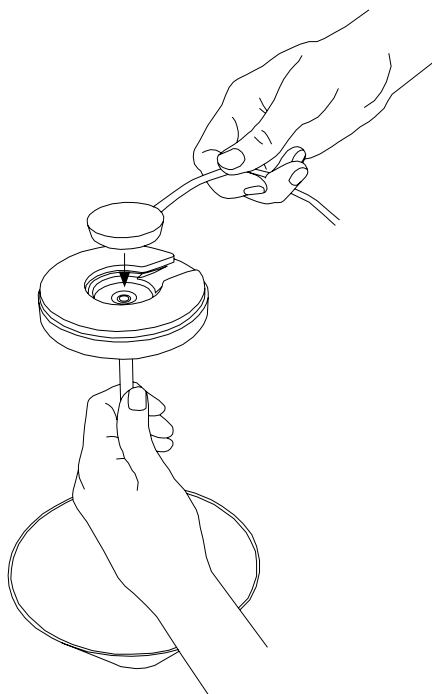

**3-step dimming:** The lamp has three pre-programmed light settings. 100%, 66%, 33%. The first tap will turn on the lamp and the last tap will turn off the lamp.

2.

**Touch and hold**

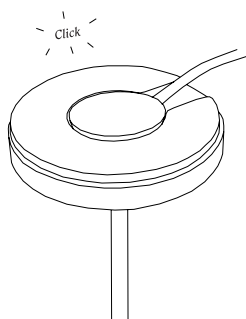

It is also possible to turn on/off the lamp at any point by touching and holding the finger at the touch surface.

3.

**Charging the lamp**

Place the New Works Charging Cable on the charging surface underneath the lamp. The New Works Charging Cable will attach to the surface by magnet.
