
Bat Meeting Chair - Un-Upholstered, Height adjustable 4-star base w. castors

Designed by GamFratesi - 2018

DESCRIPTION

The Bat Chair was created with a Scandinavian approach to craft, simplicity and functionalism by Danish-Italian design-duo GamFratesi. The embracing shell with armrests equally embodies both aesthetics and comfort while carrying strong references to the interesting and distinctive shape of a bat's wingspan. Now, the addition of a pneumatic height-adjustment cylinder to the 4-star meeting chair's base makes it able to adapt to the diverse needs of the modern workplace, whether that be at home, an office, or somewhere in between.
