

HACKNEY SOFA

Design by HAY

With its contemporary lines, high comfort level and manoeuvrability, the Hackney Sofa strikes the perfect balance between modern and traditional styling. It features a fully upholstered foldable frame that can be disassembled into three sections and transported with ease. Constructed with a wooden frame featuring a coil spring system wrapped in down and polyurethane foam, it offers soft, comfortable seating that retains its shape. Its modest, technically accomplished design makes it ideal for environments with restricted access or where it might need frequent moving. Available in 2-seater or 3-seater versions in a variety of upholstery options.
