## TABLE

### PRODUCT INFORMATION:

The table top is made in MDF with either a stained black ash or an oak veneer. The surface has been treated with a clear lacquer. The frame is made in powder coated metal.

Made in Denmark and Poland.

### MAINTENANCE:

Do not place hot items directly on the tabletop.

Wipe off dust with a dry cloth or if needed: a damp cloth.

Always remove stains immediately after staining.

All wooden surfaces will fade in time when exposed to light. To avoid dark areas do not cover parts of the table with items for a longer period of time.

**NOT DURABLE FOR OUTDOOR USE.**
