

# HEE BAR STOOL

DESIGN BY HEE WELLING

The absence of superfluous details in the Hee Bar Stool seems even more pronounced by its height and the presence of long slender legs. The ultimate in elemental design, this versatile bar/counter stool has a simple, uncluttered expression with excellent stability. Stackable and weather-proof, the Hee Bar Stool can be used in outdoor surroundings, as well as inside restaurants, bars and in the home.

## PRODUCT DETAILS

- / Part of a multifunctional family of chairs, lounges and stools in a variability of colours.
- / The Hee collection features a weatherproof outdoor powder coating.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.
- / The bar stools can be linked together in rows for conference use.
- / Stackable up to 15 pcs.

# HAY

## MATERIAL

11 mm powder coated solid steel bar.

The products in the Hee Collection have a two component coating; a primer and an outdoor powder coating which provides a barrier to corrosive elements making it suitable for outdoor use.
