AHM CHAIR

Shaped in curves from three pieces of interconnected wood, the eponymous AHM chair combines the sleek lines of early-'50s Danish design with a contemporary angle. Each natural ash wood piece is a subtle mix of straight and curved, and a versatile addition to home, office or public space.

Light, elegant, tactile, stackable, practical. Natural ash, Black, Navy Blue, Ash Grey or Indian Red, with a seat of classic rattan or upholstered with fabric or leather. Beautiful, functional, organic, and with a smooth and stylish character that can enhance your personal space or add flavour to a restaurant, café or corporate setting.

As designer Isabel Ahm says, "Every object answers a challenge in its own purposeful way."
