ARQUI Rug collection
RUG 2

The basic idea of the ARQUI rugs is to get inspired by abstract architectural images from unknown places and spaces. The two designs have been created as a collaboration between PWtbS and at Ouur Media (the people behind Kinfolk Magazine).

These architecturally inspired rugs made from thick weaved wool and viscose, are ideal for gracing the walls or floors of a living room or foyer, boardroom or bar. The heavy texture helps to transform the acoustic signature of any environment, whether they're hung on a wall or spread on a floor.

All the pieces in this collection are hand-woven in India by master artisans who have perfected their skills through generations. The rugs are products of the CARE & FAIR initiative that helps to fight illegal child labour and contributes towards the welfare of children and weavers' families in the carpet weaving areas..
