

## FRY LIKE A PRO

### – Eva Trio frying pans with 25-year warranty

Become a master chef in your own kitchen. While the new frying pan is designed for professionals, we lesser mortals can also use it. The frying pan is made of cast aluminium with a 10 mm base, a 7 mm side and a 10 mm wire handle. Consequently, the pan can withstand almost anything. The design of the new frying pan resembles the original Eva Trio pans with their characteristic handle, which allows the pan to be hung from a hook on the wall. Functionally, it distributes the heat effectively, so you never need to worry again about moving the meatballs round to ensure they are evenly cooked.

The main difference is the new and unique non-stick Slip-Let® coating, which is extremely robust and lasts three to five times longer than standard non-stick materials. Eva Trio guarantees this, and therefore offers a five-year warranty on the frying pan coating and a 25-year guarantee that the pan will retain its shape without the base warping. Even when placed in an oven at 260°C. The frying pan is available in three sizes.

- Made of cast aluminium
- Dimensions: Ø20 cm, Ø24 cm and Ø28 cm.
- **Price: 109.95 EUR / 124.95 / 159.95 EUR**
