

# BALL

Designer: Benny Frandsen

Metal chandelier.

Ball Multi is a beautiful chandelier with seven Ball pendants. Each pendant is hung at a different height, giving the chandelier a slightly random look. The wires are collected in a ceiling fitting in the same colour as the lamp. Ball Multi is a reinterpretation of the classic crystal chandelier of old – but without the crystal and frills. The chandelier looks beautiful when hung over a dining table but would also add a dash of panache to the kitchen island.
