

COOL.

Designer: Frandsen Design Studio

TABLE AND FLOOR LAMP.

The COOL table and floor lamp are made of metal. The bulb plays a key role and therefore extremely important when they are chosen. The floor lamp is fitted with a practical foot switch.

The table lamp is easy to place as the lamp is very slim. Place it in the windowsill, or on the dresser in the hallway, and get a raw industrial look - which can be softened up along with other interior if wanted.

Use the floor lamp beside the sofa or your favorite armchair. COOL floor lamp is an easy way to get a raw industrial look into the home. The lamp is easy to place as it does not require much space.
