

FARETTO

Mounting	: Ceiling, Wall
Lamps description	: 1 x QT-12 (75W Max) GY6.35
Environment	: Indoor, Outdoor

OPTICAL

Light controller description	: Protection glass
Reflector finish	: Ultra pure aluminum
Aiming	: Directional
Light distribution symmetry	: Symmetric
Beam angle	: Flood 23°

ELECTRICAL

Transformer availability	: Included
Transformer mounting	: Integral
Emergency	: Without
Insulation class	: Class II

PHYSICAL

Construction material	: Pressure injected aluminum alloy
Weight (kg)	: 2,97
Reflector finish	: Ultra pure aluminum

Faretto
design by Piero Lissoni

Spotlight to be installed on ceiling/wall. Conventional transformer integrated
