# Maralunga 40 / Cool since 1974

“Con Maralunga - ho inteso progettare un oggetto rappresentativo di tutta un' architettura d'interni di sapore familiare. Un posto caldo, confortevole, raccolto, dove sentirsi a proprio agio e ritrovare l'atmosfera delle vecchie, comode, protettive poltrone di lettura poste vicino al fuoco di un camino o al di una finestra. Due posizioni, due possibilità d'uso, due occasioni per crearsi il proprio spazio all'interno di una stanza.”

Vico Magistretti

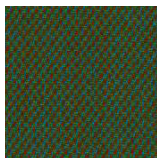

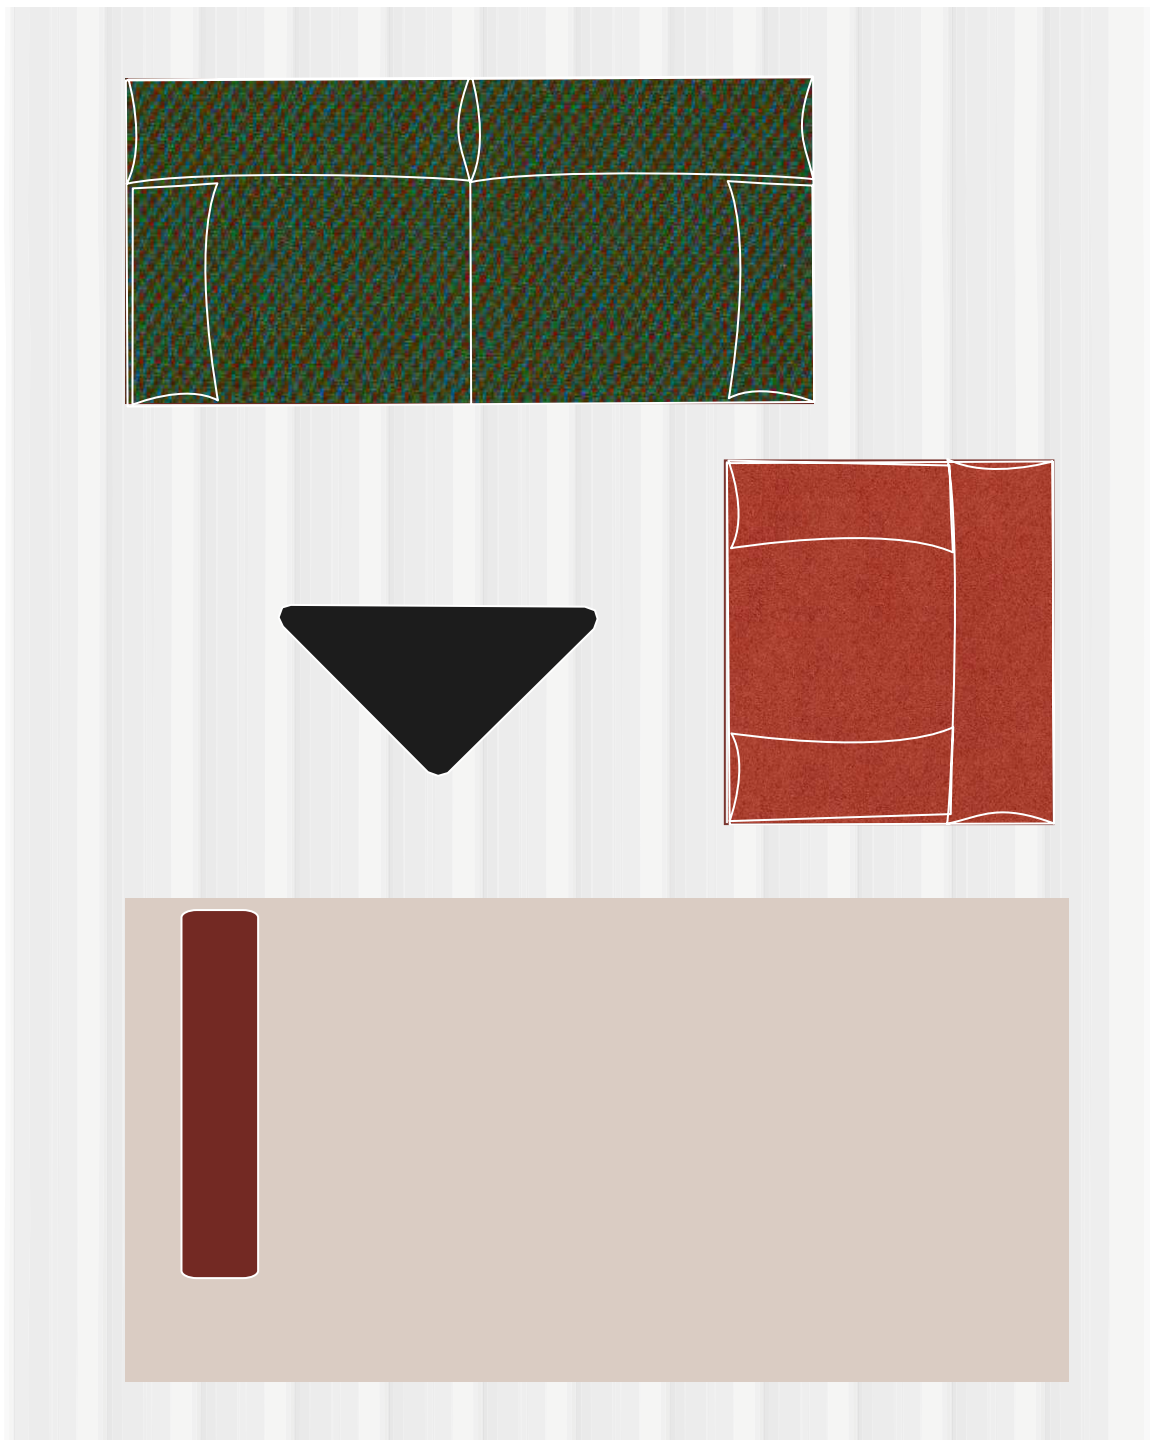

*“With Maralunga - I wanted to design an object that represent an architectural interior with a familiar atmosphere. A warm, relaxing and cosy place, where you feel comfortable, like in an old, peaceful, protective armchair, the one you can find next to a fireplace or a window. Two positions, two different purposes, two possibilities to create your own space inside a room.”*
