MARBLE LIGHT SV6

BY **STUDIO VIT**
2014

The elegance of the Marble Light design is the result of Studio Vit's attention to detail and dedication to perfecting and reducing forms. Made from Italian Bianco Carrara marble and mouth blown borosilicate glass, the high quality materials and the pure geometric shapes used for Marble Light push the light towards the realm of art object. Yet you find playfulness in the way they riff on the archetypal light bulb form fulfilling & tradition's second criteria – innovation. The seven-piece collection designed by Studio Vit includes a variety of pendants of different proportions and marble weights that allow the lamps to be suspended. The Marble Light collection include one table lamp, five pendants and one marble floor weight with 10m cord.

Photometric data file (LDT or IES) available upon request.

Product type	Table lamp.
Production Process	The base of the table lamp is made from milled and honed marble and the glass is mouth-blown from thin borosilicate glass.
Environment	Indoor.
Dimensions (cm / in)	Marble: Ø: 7cm/2.7in, H: 5cm/1.9in. Glass: Ø: 16cm/6.3in.
Weight (kg)	1.20 kg.
Materials	White bianco carrara marble and clear mouth blown borosilicate glass with 2 meter white fabric cord with dimmer.
Voltage (V)	220-240V - 50Hz.
Light source & Energi efficiency class	G9 Max 25 Watt. This luminaire is compatible with bulbs of the energy classes: B - E. This luminaire is sold with a bulb of the energy class: D.
Certifications	CE, IP20, Class II.
Cord lenght / diameter (cm / in)	200cm/78.7in.
Cleaning Instructions	Clean with soft dry cloth. Always switch off the electricity supply before cleaning.
Package Dimensions (cm / in)	H: 36.0cm/14.3in x W: 22.0cm/8.5in x D: 22.0cm/8.5in.
