

# plantation **MAX** single cantilever

premium parasols

The Plantation MAX Cantilever is an oversized parasol that creates a cool retreat with a warm ambiance. With up to 144 square feet of uninterrupted shade, the Plantation MAX Cantilever is graceful and generously proportioned for any sun drenched environment. The Plantation MAX Cantilever features TUUCI's Aluma-TEAK finish. This natural feel of a hardwood finish combined with the durability of our Armor-Wall Aluminum construction leads to a structure resistant to seaside corrosion. The style is ideal for both contemporary and traditional spaces.
