

bay master MAX

essential parasols

Introducing the new Bay Master MAX with style and aesthetics that impress guests and engineering and tenacity that impresses businesses. The Bay Master MAX features sophisticated metallurgy, genius lever design and effortless kinetics that make operation a breeze. Engineered with a telescoping mast that allows for easy operation over tables and chairs. Modular design allows for replacement parts, should you ever need them, because they are built to last season after season. Complement your outdoor area with the new TUUCI Bay Master MAX.
