

Toolbox RE

Arik Levy, 2010

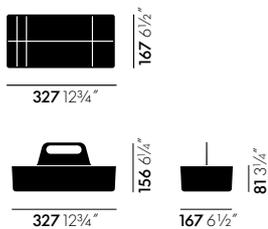

vitra.

Toolbox RE is a practical organizer for storing and transporting small work utensils and accessories. It is made of recycled plastic from industrial waste – and at the end of its product lifespan, it is also 100% recyclable. Toolbox RE is available in a selection of colors.

- **Material for Toolbox RE in diverse colors:** post-industrial recycled ABS plastic, 100% recyclable.
- **Material for Toolbox RE in gray:** recycled polypropylene, 100% recyclable.
