PACKAGING DIMENSIONS

W 74 cm / D 88 cm / H 80 cm

The Samurai is a low-slung lounge chair, the construction of which is inspired by Japanese wood joinery and the Danish stick chairs of the 1950s. The Samurai is a highly considered piece of chair making which marries turned oak sections and high quality saddle leather in order to create a robust yet supportive and comfortable seat.

The seat is mounted with brass rivets in order to achieve maximum strength, whilst the back is mounted with adjustable leather straps and brass buckles.
